Seniors Adventure Residential

In partnership with Glasgow Battalion, BB Scotland is running a three-day adventure residential for members in S3 and above.

Taking place between 16th to 18th October at the Lapwing Lodge Centre in Renfrewshire, you'll get the chance to try out a variety of adventurous and challenging activities, including raft building, high ropes and laser tag. In addition, the event also includes group games, teambuilding challenges, media workshop and social time.

Why should I get involved?

- You'll develop new skills – which you can transfer back to your company and beyond BB
- You'll also make connections with other members your age and learn more about what else the BB has to offer
- You'll build confidence to take a lead in your own BB programme and elsewhere
- You'll have a fantastic time!

This event also meets the residential requirements for those working toward their President's Badge.

Transport is available from Glasgow Battalion HQ. The total cost for the three-day event is £50 per person.
