AWARDS LAYOUT

There are three rows on the Juniors armband:

Row 1 - Service Badge (left), **Juniors Membership Award** (centralised), **Nights Away Award** (right)

Row 2 - Juniors Activity Awards (centralised)

Row 3 - Highest Anchors Activity Award (left), **Juniors Project Awards** (centralised), **Special Anniversary/Event or Recruitment badge** (right).

On the small armband a maximum of two Special Anniversary/Event or Recruitment Badges may be worn alongside the Juniors Project Awards and highest Anchors Activity Award on row 3. Although as a member gains the Juniors Project Awards it may be necessary to move to the large armband where the layout of the badges changes and is across 4 rows to allow for additional badges. The large armband layout is shown overleaf.

Armband example above shows ALL awards/badges which can be obtained during a members time in Juniors based on joining at age 8/9 year and going through until end of session in which they attain their 10th birthday. It shows them completing all the core Activity Awards and Project Awards. Also shown on the armband is the Juniors Membership Award, 6 year Service Badge and the World War 1 Special Anniversary Award Badge.
