GETTING INTO THE ACTIVITY

Take on some baking and produce a showstopper as part of a camp bake off competition.

Pop on your apron and start baking. Create an impressive cake, bake or biscuit that will show off your baking and creative skills.

As well as being baked well, your bake will also need to look good. Think about how the bake will be decorated. Will it be decorated around a certain theme, are you going for an impressive sculpture or are you keeping it simple?

Your BB group will set a deadline for you to send a picture of the cake in by, so make sure it is baked and decorated by then!

Share a picture of your bake with your BB group or post on social media using #BBatHOME.
