## GETTING INTO THE ACTIVITY

Camping is quite often a great opportunity to ditch technology and gadgets and play some old-fashioned board games. Spend some time with your family revisiting some of your favourite board games.

Board games are a great way of bringing people together and having fun. Most board games are perfect to play inside a tent, so encourage your whole family to camp out and play some board games before bed.

Some brilliant games include snakes and ladders, operation, cluedo, monopoly, battleships, ludo, chess and many more. You could also play some card games with playing cards or other card games such as Uno, Top Trumps or Happy Families. What games will you and your family choose?

Take a photo of you playing board games and share it with your BB group or post on social media using #BBatHOME.
