GETTING INTO THE ACTIVITY

Your #BBatHOME Camp wouldn't be 'camp' without spending the night in a tent! Pitch a tent, make it comfortable and spend the night outdoors.

Don't miss out on the experience of camping. Instead pitch a tent in your own garden and spend the night in it. Don't have a garden or tent? Hold your 'camp out' inside by creating your own campsite and bed in the lounge.

Make the tent your own by decorating both inside and outside. You might want to think about things to make the tent comfortable (cushions, pillows, blankets), things to make the tent look cool (flags, decorations, fairy lights) and also a few home comforts too (games, drinks, snacks).

Share a picture of your tent or your indoor camp setup with your BB group or post on social media using #BBatHOME.

WHAT YOU'LL NEED

- Tent
- Sleeping Bag / Pillow

NOTES FOR PARENTS & CARERS

An adult should supervise this activity and could sleep out too. If camping, please ensure the tent is set up safely and is secure for the night. Please be careful when moving around ropes and pegs.
