## GETTING INTO THE ACTIVITY

Play some games around your campfire with your family.

**Famous Last Words:** Two people go head to head. Choose a category (e.g. Football teams). Both players take it in turns to name an item. Items cannot be repeated and players can't hesitate for longer than 5 seconds. A timer is set for 45 seconds. Whoever gives the last item before the timer goes off is the winner.

**Two Truths and a Lie:** One at a time, someone should say three facts about themselves. Two should be true and one should be a lie. Everyone can then ask questions and then vote to see what people think the lie is. Can you fool those playing?

**Jokes:** Spend time telling each other jokes. Who can tell the funniest joke? Have a competition to try not to laugh. Who will be the first person to crack and laugh at someone's joke?

**Songs:** Play some music and have a singalong around the fire with classics such as Mr Brightside, Wonderwall and Don't Stop Me Now.
