GETTING INTO THE ACTIVITY

Create some tasty campfire snacks to cook on your campfire.

S'mores: Place a marshmallow onto a skewer and carefully hold it above the fire, taking care not to burn it or set fire to it. Once the marshmallow looks gooey and toasted, sandwich it between two chocolate digestive biscuits, with the chocolate sides facing inwards. Your s'more is ready to eat, but be careful as the marshmallow will still be very hot!

Banana Boats: With the peel still on, cut a slit down the length of a banana and stuff the gap full of marshmallows and chocolate pieces. Wrap the banana in tin foil and place above the fire. Cook for a few minutes until the toppings have melted and the banana is soft.

Not able to make a fire? You could use a BBQ or toast your marshmallows over a candle or cook your banana boats in the oven (150c for 10 mins).

Take a photo of your campfire snacks and share it with your BB group or post on social media using #BBatHOME.
