▶▶ GETTING INTO THE ACTIVITY

Many BB Camps and trips to the seaside would include a visit to a mini golf. Create a mini golf course in your garden and then challenge your family to a game.

Setting up a Course: Ideally this activity should be done in the garden, but it could be done indoors too. Create 2 or 3 holes, with different obstacles or challenges to complete. For example, you could use stones as obstacles, cardboard as ramps, drainpipes as tunnels and flower pots as holes.

Creating a Golf Club: You can use anything as a golf club - be imaginative! Our suggestion is to strongly tape an empty drinks bottle to the bottom of a broom handle.

Create a Competition: Now the course is complete, challenge family members to take on the golf course. Keep a track of the scores and see who the winner is.

Take a photo or video of your mini golf course and share it with your BB group or post on social media using #BBatHOME.
