PREPARATION  
NEEDED

## GETTING INTO THE ACTIVITY

For this activity, you'll need lots of imagination in order to create a colourful and cheerful Easter card.

First, you'll need a piece of paper or card. Fold this in half to create your greetings card. Now decorate the front of the card with images from Easter. You could draw or paint them, or you could use materials from the paper bin to create a colourful collage.

Images for the front of the card may include the Easter bunny, Easter eggs, chicks, etc. Or you may wish to draw pictures from the Easter story, such as the empty tomb or the cross.

Once finished, write a nice message inside and then give it to someone in your house.

## WHAT YOU'LL NEED

- Paper / Card
- Colouring Pens / Pencils
- Arts & Crafts Materials

## NOTES FOR PARENTS & CARERS

All activity should be supervised by an adult. Share a picture of your Easter card with your BB group or post on social media using #BBatHOME.
