GETTING INTO THE ACTIVITY

Learn about one of the characters from the Bible, Joseph, and take some time to recreate his coat of many colours.

The story of Joseph can be found in the book of Genesis. It's a story about good coming from bad, God always having a plan and forgiveness. Recap the story through a song by watching the YouTube video 'Joseph Song' by Saddleback Kids. More videos can be found on YouTube should you wish to watch the story in more detail.

Joseph is best known for his coat of many colours. Spend some time recreating the coat to help remind you of the Bible story. To do this, use the coat template below or draw your own. Then you'll need to decorate the coat with as many colours as you can find. You could use colouring pens, paints, glitter, tissue paper etc.

How many different colours can you use to decorate your coat?
