GETTING INTO THE ACTIVITY

Become a member of the Queen's Guard, the soldiers who help protect the Queen, with this creative activity.

Saturday 13th June 2020 should have been Trooping the Colour, a big parade of soldiers helping to mark the Queen's official birthday. Trooping the Colour normally features over 1400 soldiers, 200 horses and 400 musicians. If you've not seen it before, search 'Trooping the Colour' on YouTube to watch some videos.

This year HM The Queen is celebrating her 94th birthday. Become one of the Queen's Guard, the famous soldiers, by using the template at the bottom of this pack. Firstly you'll need to find a photograph of you to cut out your face and stick it onto the face of the soldier in the template. If you can't do that, then draw your face on instead. Finish it off by colouring in the soldier's famous red and black uniform. Now you've become one of the Queen's Guard! How do you look?

WHAT YOU'LL NEED
