# ROALD DAHL WORDSEARCH

PART OF THE ROALD DAHL THEMED PROGRAMME

## ▶▶ GETTING INTO THE ACTIVITY

A great introduction into the world of Roald Dahl and his stories and characters.

Give each child a copy of the Roald Dahl wordsearch and a pen. Encourage the children to find as many words as they possibly can. Each word on the wordsearch relates to a story or a character in one of Roald Dahl's books.

After a while go through the wordsearch as a group. Between the whole group, have you managed to find all the words?

As you go through each word, can anyone share any information about the Roald Dahl story or character? Has anyone read that book and can describe what happens in the story? A brilliant way to get everyone up to speed with the world of Roald Dahl.

**Virtual Session:** Share the wordsearch using screenshare. Call out one of the hidden words and challenge the children to try and find that hidden word. Children should put their thumbs up when they have found the word. Ask one of the group to reveal the answer each time.

## ☑☑ WHAT YOU'LL NEED

- Roald Dahl Wordsearch
- Pens

## ! KEEPING EVERYONE SAFE

Children should have their own copy of the wordsearch and their own pen. Maintain social distancing as required.
