GETTING INTO THE ACTIVITY

Learn about the Easter story whilst doing an Easter egg hunt.

Ask a grown-up to: Print out the Easter story sequence cards and cut them up. If you don't have a printer, they can be written onto pieces of paper. Hide the sequence cards around the house. Leave a small chocolate, mini egg or sweet with the card.

Now for your challenge: Go around the house finding the sequence cards and the sweets. Once you have found all 7 you now need to try and put the cards into the correct order (the correct order is how they are on the worksheet).

Once finished, enjoy your sweet treats whilst watching 'The Story of Easter (Jesus' Sacrifice)' by Saddleback Kids on YouTube.

WHAT YOU'LL NEED
