GETTING INTO THE ACTIVITY

Explore the parable of the Lost Sheep and then play a game to test your memory skills to see if you'd make a good shepherd, like the one in Jesus' story.

Watch 'The Lost Sheep' by Saddleback Kids on YouTube - https://youtu.be/_Ry2MaMyvGo. In this parable Jesus talks about how the shepherd left his 99 sheep behind to look for the missing one, to show how much God cares about each one of us. It also shows how God is like our shepherd, watching over us and protecting us from danger.

Test your shepherding ability with a memory game. Can you be like the shepherd in the story and notice when something is missing?

Place 10 - 20 objects on the floor. Spend a minute looking at all the items, trying to remember them all. Close your eyes and get a grown-up to remove an item. Open your eyes - can you work out which item has been taken? Keep playing the game and make it harder by mixing the order of the items up or by adding more.
