

THE WHOLE WORLD IN HIS HANDS

GET INTO
THE BIBLE

30 MINUTES

PREPARATION
NEEDED

GETTING INTO THE ACTIVITY

A simple activity to remind us all that God has the world in his hands and is looking after us.

- 1) Print out the world template or draw your own. Colour the world blue and green.
- 2) Draw around both your hands separately and cut them out. Glue or tape these to the back of the world, so it looks like the hands are holding the world.
- 3) Finally draw a heart shape on the world and colour this red.

This craft can now be kept as a reminder that God created the world with his own hands and he also holds the world in his hands to look after us and protect us no matter what the situation or problem.

I listen to the song 'He's Got the Whole World in His Hands' on YouTube and think about the words. If you want to sing along, then find a singalong version.

Finish by thinking about a prayer you can say to thank God.

WHAT YOU'LL NEED

- Paper
- Colouring Pens
- Scissors
- Glue or Tape
- Printed Template (optional)

NOTES FOR PARENTS & CARERS

All activity should be supervised by an adult. Please take care when using scissors and accessing YouTube. Share a picture of your 'world in God's hands' craft with your BB group or post on social media using #BBatHOME.
