PREPARATION NEEDED

## GETTING INTO THE ACTIVITY

Give your family a night to remember and open a pop-up restaurant at home, treating them to a five-star meal and table service.

**Cooking the Meal:** Prep and cook a meal for the family dinner. Make sure it is a meal everyone likes. Look in recipe books or online for some ideas. Could you serve a starter and dessert too?

**Laying the Table:** We're aiming for 5-star service, so you need to lay a 5-star table too. Use a tablecloth, set the table and decorate it with a candle or a bunch of flowers to impress.

**Serving Dinner:** All restaurants need polite waiters. Welcome your family to your restaurant, serve them their drinks and food and make sure they are happy customers. Remember that in 5-star restaurants, waiters are dressed to impress, so make sure you're wearing the smartest clothes you can find!

Share some pictures of your pop-up restaurant with your BB group or post on social media using #BBatHOME.
