

PUTTING

GET ACTIVE

20 MINUTES

PREPARATION
NEEDED

GETTING INTO THE ACTIVITY

Perfect your putting by building a putting practise box to test out your putting skills.

Build a putting practise box by taking a cardboard box and cutting some gaps along the bottom. If you wish you could also paint and decorate the box to make it look good. Have at least three doors cut into the box and write a score above each door. You could create smaller and bigger gaps, with them being worth different points.

Set up a line a few metres away from your box and start trying to putt balls into the gaps in your putting box. How many points can you score after 10 tries? Challenge a family member to try and beat your score.

Creating a Golf Club: You can use anything as a golf club – be imaginative! One suggestion is to strongly tape an empty drinks bottle to the bottom of a broom handle.

Share a photo of you using your putting box with your BB group or post on social media using #BBatHOME.

WHAT YOU'LL NEED

- Cardboard Box
- Scissors
- Pens
- Ball
- Putter

NOTES FOR PARENTS & CARERS

Please ensure the space and equipment used for this activity is appropriate. An adult should initiate any contact with the BB group and/or share on social media.
