GETTING INTO THE ACTIVITY

Hunt around your neighbourhood for signs and notices to help create a collage of your name.

Head out on your daily walk with a camera or phone. Whilst you are out, your mission is to look out for signs, notices and shop & street signs. When you find one, see if it has a letter which is in your name. If it does, take a close-up photo of that letter and cross it off your list. Continue your walk, looking for more signs to photograph.

When you get home create a collage of the different letters to create your name. For example, if your name was Alfie then you might use the A from a street sign, the L from a shop sign, the F from a house name and so on. You could create your collage digitally or print out the photos and then create a collage on paper.

Take a photo of your collage and share it with your BB group or post on social media using #BBatHOME.
