

# MEASURING GOD'S LOVE

GET INTO THE BIBLE

20 MINUTES

PREPARATION NEEDED

## GETTING INTO THE ACTIVITY

We are often told that God loves us - but have you ever asked how much he loves us?

For this activity you'll need the worksheet at the bottom of this pack. If you don't have a printer, then you can make your own worksheet. Spend some time completing the measuring challenges. If you don't have a tape measure, you can measure distances using your feet or hands.

The last challenge asks how much God loves us. This is a trick question - God's love can't be measured! God loves you so much that no tape measure or timer will ever be able to measure that love. He loves you so much that he will always be there to look after and protect you. How good is that! Finish the activity in prayer, thanking God for all the love he gives you.

Ask a grown-up to take a photo of you completing your measuring challenges and share it with your BB group or post on social media using #BBatHOME.

# Measuring God's Love

Complete the measuring challenges and write the answers down below.

- 1) How tall are you? \_\_\_\_\_
- 2) What is the total age of all the people that live in your house? \_\_\_\_\_
- 3) How long does it take to run up the stairs? \_\_\_\_\_
- 4) How many grains of rice in a small handful? \_\_\_\_\_
- 5) How many days is it since you was last at school? \_\_\_\_\_
- 6) How many steps is it from the front door to your bed? \_\_\_\_\_
- 7) How long does it take you to do 20 star jumps? \_\_\_\_\_
- 8) What is the furthest distance you can jump? \_\_\_\_\_
- 9) How many shoes can you find in your house? \_\_\_\_\_
- 10) How much does God love you? \_\_\_\_\_

The answer to the last question is lots! In fact no-one can measure how much God loves you, because it is so much. How cool is that!

“I pray that you will have the power to understand the greatness of Christ’s love - how **wide** and how **long** and how **high** and how **deep** that love is. Christ’s love is greater than anyone can ever know.”

**Ephesians 3: 18-19**
