GETTING INTO THE ACTIVITY

Take a look back at all the #BBatHOME adventures you've been on over the last four months by creating a collage of photos and memories.

This week's activity pack is the last set of activities before #BBatHOME takes a pause over August. Over the course of the last four months there have been 90 activities for Juniors to get involved with. Make a collage of all your favourite activities and memories from that time.

Photo Collage: Print out photos of you taking part in the activities and stick them all on one large piece of paper. How many different activities can you include?

Drawings Collage: Not able to print photos? Draw something from your favourite activities onto one giant picture. It might include volcanoes, teddy tip wires, ice lollies, rollercoasters, bug hotels, big ben, pizzas, picnics and much more!

Let your BB group know how many activities you've done. Send a photo of your collage or post on social media using #BBatHOME.
