GETTING INTO THE ACTIVITY

The 10 commandments were sent from God to help us live our lives. Learn about how they came about and then set your own 10 commandments for your family.

Watch 'God's Story: Ten Commandments and the Golden Calf' on YouTube (<https://youtu.be/aX28nAB4S7A>). This explains how Moses was given the 10 commandments. To read the commandments look in the Bible at Exodus 20.

These rules were given to us by God to show us how to treat each other, how to love God and how to be part of his team. Rules are important as they help to make our lives better and allow us to live in a world where we look after one another.

As a family create 10 commandments for you home, particularly for this period of lockdown when you are spending so much time together. Your 10 commandments might include, putting your toys away after playing, always saying please and thank you or saying one nice thing about each other every day.
