## GETTING INTO THE ACTIVITY

Create your very own Noah's Ark by making an origami paper boat.

- 1) Using the instructions sheet, make the origami boat. If you wish, decorate the boat too.
- 2) Put the boat in a sink or bowl of water to see if it floats. Try placing items in the boat to see how much weight it can take.
- 3) Watch Noah's story on YouTube: [youtu.be/Wbfp7fzhj4Y](https://youtu.be/Wbfp7fzhj4Y)
- 4) Answer the following questions:
  - a) Who told Noah to build the boat and why?
  - b) How long did it rain for?
  - c) What bird did Noah send out from the ark?
  - d) How does God show his promise that he won't flood the earth again?

**Find out more:** The story of Noah can be found in the Bible, in Genesis (6-8).
