PREPARATION NEEDED

## GETTING INTO THE ACTIVITY

Get to know your family even better by creating a chatterbox to help spark conversations and questions.

Print out the chatterbox template at the bottom of the pack. If you don't have a printer then you can create your own by starting with a square piece of paper. Follow the instructions on the template to fold your chatterbox correctly. Inside the chatterbox are some questions. There are also four blank boxes in the middle. Fill these in with your own questions.

Spend time going around your family with the chatterbox. First, they need to choose a colour. Spell out the colour and open / close the chatterbox with each letter. Then choose a number, opening and closing the chatterbox as you count. Finally choose a final number and ask the question underneath. What new things can you learn about your family?

Ask a grown-up to take a photo of your chatterbox and share it with your BB group or post on social media using #BBatHOME.
