GETTING INTO THE ACTIVITY

Explore the story of Jesus walking on water and how with faith and trust, all of us can do incredible things.

Watch or read the story of Jesus walking on water (Matthew 14:22-33) - <https://youtu.be/oVy9HGr3Qig>. When Peter put his faith and trust in Jesus, he was able to walk on the water too. It's a great story to remember that we should always put our trust in God and he will look after us.

Try out a trust experiment. Fill a small glass 2/3rd with water and place a playing card on top of the glass (it must cover all of the rim). Carefully turn over the glass, so the card is on the bottom. Now slowly remove your hand. The card and water should all remain in place. Now try the experiment over your head. Do you have trust and faith in yourself to believe you'll stay dry?

Finish with a prayer asking God to always give us the strength to put our faith and trust in him.
