

Cryptic Find Me

Instructions

Read out the cryptic clue and then give those playing 45 seconds to find the item they think it might be. Award a point to anyone who brings back the correct item with in the time limit. If playing with Juniors then give a hint, such as which room the item might be found in, along with the clue.

The colour of the sun,
but the shape of a smile.
You can peel back my skin,
and eat me for a while.

Banana

You use me at school,
often in black or in blue
I'm used by your hand,
but which hand's up to you.

Pen

On, off,
mute or rewind
My buttons do plenty,
but which cushion am I behind?

TV Remote

I'm used for eating,
and I'm part of a team.
I can scoop and I can stir,
and I'm perfect for ice cream

Spoon

I'm found in your bedroom,
and just hang around all day.
Trousers, tops, coats
I don't mind either way.

Coat Hanger

I come as a pair,
I can be short or quite long
When you wear me all day,
I produce quite a pong!

Socks

I have a tail but no body,
a head but no feet.
When you give me away,
you'll get a receipt.

Coin

One sheet, two sheet,
three sheets or four.
Some use me less,
and some use me more

Toilet Roll

I'm never wicked,
but I do have a wick.
I come in all sizes,
from skinny to thick.

Candle

I like to help with the shopping
and give you a hand
I used to be free,
but then that got banned.
