TO GO

CHANGING SEASONS

PART OF THE AUTUMN THEMED PROGRAMME

▶▶ GETTING INTO THE ACTIVITY

A look at how things change with different seasons, yet God never changes.

Ask the group how things are different in different seasons. This might include the weather, tree colours, animals, activities etc. Does anyone have a favourite or least favourite season? If so, why?

God created seasons and although we may think some are better than others, God made them all for a reason. Each has a purpose.

In life we go through different seasons too - we just call them feelings or moods. Sometimes we are happy or excited and other times we are worried or upset. Everything to do with coronavirus is a worrying and sad time, with us missing out on things, not seeing all our family and people being ill. But what's important to remember is that seasons change. Bad and good times come and go. A new season will come and things will change.

One thing that will never change is God. No matter what the season or the situation, God will always love you and never leave you. He will always be there by your side to help and support you.

'Jesus is the same yesterday and today and forever.' Hebrews 13:8

WHAT YOU'LL NEED

- No Equipment

KEEPING EVERYONE SAFE

Please ensure social distance is maintained where required.
