VIRTUAL CAMPFIRE

GETTING INTO THE ACTIVITY

Bring the excitement of a campfire to a virtual session.

On the virtual session, screenshare a video of a campfire such as <https://youtu.be/NUKKzdVyOEI>

Hot Chocolate and Snacks: Before the meeting encourage children to come to the session with a hot chocolate and a biscuit to enjoy.

Songs: Virtual sessions can sometimes have a small delay, making singing difficult. However, you could share some campfire songs, with everyone on mute. That way you can singalong at home without the delays causing an echo.

Games: Play some campfire games virtually. Here is one example -

Numbers: As a group count up to 20. Anyone can speak at anytime and in any order. You can only say one number at a time. If two people say the same number at the same time, then you must start back at 0. How high can you get to?

Stories & Jokes: Spend time telling a story around the virtual campfire or give children an opportunity to share their favourite jokes. Can they make the group laugh?

KEEPING EVERYONE SAFE

Please ensure the activities, stories, jokes etc are suitable for the age group you are working with. These activities have been written for virtual sessions only. Currently singing and providing snacks/drinks is not appropriate in a face-to-face setting. Parent/carer supervision is needed at home for hot drinks.
