WALK OF FAITH

▶▶ GETTING INTO THE ACTIVITY

Explore what it means to have faith, even when you can't see it.

On a blanket, place some drawing pins with their points facing upwards. Ask for a brave volunteer who is happy to be blindfolded and verbally guided by a leader to walk over the blanket dodging the pins. Whilst the volunteer is placing their blindfold on, secretly remove the blanket of pins, leaving the floor free of danger.

Verbally guide the volunteer across the floor. Make sure to act like the pins are still there. Afterwards ask the volunteer how they felt during the activity. Did they have faith in you to keep them safe even though they couldn't see you? Why did they trust you?

In life we too are guided by someone we can't see. He helps us to overcome obstacles and stay safe. We should trust him and listen to him too. We can't see God, but we have to have faith in him and remember that he wants what's best for us.

Faith is to believe in God's goodness, love and control... no matter what. Faith is to trust in God always. **'For we walk by faith, not by sight.'** 2 Corinthians 5:7
