

What is the Six in Six Challenge?

- 6 Challenges over 6 months: October 2020 to March 2021
- Themed around our 6 programme areas for Anchors, Juniors and Company/Seniors - unique challenges for each section.
- Each challenge will be released monthly in our e news and Facebook/Instagram
- Six in Six certificates available for those who complete.
- Share your 6in6 Challenges on social media using #6IN6CHALLENGEBBNI

Who can get involved?

There is a challenge for Anchors, Juniors and Company & Seniors each month.

The programme area will vary across the sections but by the end they will have covered all the programme areas. Leaders are also encouraged to get involved and it can be a way to share the challenge with the young people and encouraging them to get involved.

How it works

This will be run at a Company level.

Each month a new challenge will be communicated via our e news and social media. Depending on what way your company is meeting at that point you can communicate the challenge to them to be completed for that month. If your company is meeting virtually this may be by WhatsApp, Email, Social media, post etc. Some of the challenges may be suitable to complete in the hall on your company night if you are meeting face to face.

Please note you must check the operating stages and ensure that we are at stage 3, if we are not at stage 3 it is not possible to meet face to face.

Six in Six Challenge

INFORMATION FOR LEADERS

How do I know what the challenges are?

The challenges will be communicated monthly.

Each month the new challenges will go out via our district enews and social media.

The Challenges will also be uploaded to our BBNI Website downloads page, here you will be able to download the monthly challenge and a graphic to use on your social media or whatever way you are communicating to your young people.

Certificates

In January you will be able to submit an estimated number of certificates you require for your young people who have taken part in the Six in Six Challenge.

These will then be available from March 2021 once the Six Challenges in Six Months have been completed.

The Rules

The rules are simple follow the challenge on the card, participate and it enjoy it. There are no formal competition rules for the Six in Six Challenge and the main thing is getting involved and having fun.

Sharing Photographs

We would love to see you share your photos of young people taking part in the challenges. If you are sharing them on your company or church social media use the hashtag #6IN6CHALLENGEBBNI

Please ensure you have photo consent if you are sharing them online or on social media. You can also send photos to us to share using the email address nihq@boys-brigade.org.uk, if sending photos to us please include confirmation that you have consent to share the photos.

What if we start BB later than October, can we still take part?

Yes of course! For example if you start in November you can do 2 challenges for November. The 6 challenges can be used in a way that suits your company and they are flexible. You can use the challenges at any of the operating stages eg at home or face to face depending on your company setting.

You can check what operating stage we are at here: <https://boys-brigade.org.uk/coronavirus-update/>
