

## six in six challenge

# MY HERO

## The challenge

During the Coronavirus pandemic many people have been considered 'heroes' perhaps because of their job, something special they've achieved or how they have helped other people.

Challenge boys to choose someone who is a hero to them. It may be a sports person, a relative, someone from history or a friend. Ask Juniors to prepare a page with the person's name and 10 facts about them - as bullet points. They can include photos or pictures. The last bullet point should give the reason why they consider this person to be their hero.

## Photographs

Leaders should ask parents to submit the My Hero page or photograph of it to the Junior Section Leader-in-Charge by the method you want to use eg email, Whatsapp, private message to Company Facebook page.

## What you need

Activity sheet for Juniors or let them design their own page.

Let parents know where to send the finished My Hero page.

## Tip

You can use the activity sheet on page 2 to send to Juniors to explain the challenge.

## SIX IN SIX CHALLENGE:

## My Hero is
