ACTING LIKE ANIMALS

PART OF THE PETS THEMED PROGRAMME

▶▶ GETTING INTO THE ACTIVITY

The perfect excuse to 'act like animals' with a game of pet themed charades & races.

Explain that for this activity, children will need to show off their acting skills to help the rest of the group work out which animal they are. This activity could be done in teams or as one large group.

Pet Charades: Write down the names of different pets and animals onto slips of paper and place them in a bowl. One at a time a child should take a piece of paper and act out the animal. You could award points for the person who guesses correctly.

Pet Charades Race: Play as above but split the group into two teams. Each team should have a bowl with the names of 10 pets in it (the same names for each team). On go, the first child in each team starts acting. When a team guesses correctly, they move on to the next slip of paper. Both teams do this independently. The first team to complete all 10 pets is the winner.

Virtual: For the charades race, use the breakout rooms and time how long each group take. The quickest time is the winner.
