

# MAN'S BEST FRIEND

PART OF THE PETS THEMED PROGRAMME

## ▶▶ GETTING INTO THE ACTIVITY

Dogs are known as 'man's best friend'. Why do they make such good friends and where else can we find a loyal and loving friend?

Think about why dogs make such good friends. Answers might include that they are loyal, trusting, always happy (waggy tails), lots of fun and always there for us. Does anyone have any stories/examples of how their dog or pet makes a great friend?

Friends are really important. Do you have a friend who is always there for you? One who makes you feel better when you're sad, who is there to help and stand by you no matter what? We could all use a friend like that couldn't we? Jesus is that friend. We can always rely on him and he is always there for us. Jesus loves us even more than our pets do. That's a lot!

Celebrate knowing that Jesus is our best friend by watching and dancing along to the 'My Best Friend' worship song (<https://youtu.be/fz3s2zNEXcQ>). Don't worry about learning the moves beforehand, just have fun and get moving. You could even create your own dance moves.

Don't fancy dancing? Why not play musical statues to the 'My Best Friend' song instead.
