## GETTING INTO THE ACTIVITY

Mark remembrance by creating a remembrance themed rock to leave in your community for others to find.

You'll need a smooth rock to paint / draw on. You'll be able to find this in your garden, on a walk or at the garden centre. Wash off any dirt and decorate the rock with permanent markers or paint. Make sure your image is bright and colourful and represents remembrance. This might be with poppies, soldiers, words etc. Allow the rock to dry and then finish by writing a message of remembrance on the bottom of the rock. You could also include a link to your Boys' Brigade's social media page, so people who find the rock can send a photo to your BB group.

Once dry, head out on a walk and leave your remembrance rock where others will find it. If you leave it outside, your rock will need coating in PVA glue or a sealant to make sure the paint / pen doesn't run in the rain.

Share a picture of your kindness rock with your BB group or post on social media using #BBatHOME. For more information about Remembrance and how you can get involved head to [www.britishlegion.org.uk](http://www.britishlegion.org.uk)
