### The Challenge

Ask Anchors to get creative and make a 'Jesus Love Me' plate or circle.

Anchors should put the words 'Jesus loves' at the top and then they could either write their name or their family name at the bottom and decorate the plate.

### What you need

Paper plates or plain card/paper with a circle drawn on it.

Colouring pencils/pens

Glue

Craft materials for decorations

### Tips

Anchors can:

- draw or paint
- stick on a picture of themselves
- stick on decorations with any materials they have eg stickers, glitter, stars, foam shapes etc.
- instead of plates, a paper/card circle will do
- Alternative: make a crown with Jesus Loves Me written on it.

### Photograph

If the craft is done at home, let parents know who to send a snap to.
