challenge

The Challenge

Challenge your Company Section and Seniors to get creative in the kitchen. The challenge is to make some edible Christmas treats such as buns, traybakes, muffins, biscuits, mince pies or cake.

If boys complete the challenge at home, families could taste the results and give a score for their efforts. Ask boys to send a photo of their creations to their leader.

» Ideas

This is for fun and the baking doesn't need to be very elaborate! Boys can use family recipes, ideas from Pinterest, cook books or leaders can share an idea.

What you need

Access to a kitchen.

If doing this in your Church Hall you might need to split boys into small groups to space them out in the kitchen.

Tips

Encourage boys to take care if using an oven or hob eg use oven gloves; open oven door with care.

Remind boys to clear up any mess they make.
