NATIVITY ART

PART OF THE NATIVITY THEMED PROGRAMME

▶▶ GETTING INTO THE ACTIVITY

Focus on the most important part of the Nativity story - the birth of Baby Jesus, with a simple but effective piece of art.

Follow the below steps to create the nativity art.

- Print, colour and cut out the colouring sheet of Jesus in a manger. This will be the focal point of the art. This could also be drawn by hand or created using coloured paper.
- Stick the manger on the bottom of the black card.
- Glue lolly sticks around the manger to form a stable shape around Jesus. This should be a vertical lolly stick either side of the manger and two diagonal lolly stick to form the roof.
- Stick star stickers above the manger to create a starry sky. If you don't have stickers, these could be drawn on too.
- You could add finishing touches such as gluing pieces of straw around the manger or attaching a small circle of pipe cleaner above Jesus' head to form a halo.
