# ROLL A NATIVITY

PART OF THE NATIVITY THEMED PROGRAMME

## GETTING INTO THE ACTIVITY

Things could get competitive as teams are challenged to be the first to collect all the Nativity characters in this dice game.

Each team will need a copy of the nativity activity sheet, with the characters cut into their individual shapes. Each team should start with the stable. The game is played by rolling the dice. Each number on the dice will allow the team to collect one of the nativity characters to place onto their stable picture. Only one character can be collected on each roll. Play until one team have collected all the characters.

The game can be played all at once, with all the teams rolling their dice continuously, with the first team to collect all the characters to shout 'NATIVITY!'. Alternatively, the game can be played head to head, with teams taking it in turns to roll a dice and then watch the other team(s) take their turn.

**Virtual:** A leader should be allocated to each team and each leader should have a copy of the activity sheets to show on camera. Children can take turns in rolling a dice (found in board games at home) and choosing the character they want their leader to place on the stable.

## WHAT YOU'LL NEED

- Roll a Nativity Activity Sheet (one per team)
- Dice (per team)

## KEEPING EVERYONE SAFE

Maintain social distancing as required. Where shared equipment is used (dice), please ensure a hand hygiene break before and after.
