GETTING INTO THE ACTIVITY

Can you identify our 10 famous faces who have all been disguised as Father Christmas?

Download the 'Santa Faces' PowerPoint. Go through the 10 different faces and try to identify the famous person behind the disguise. Try to give first and last names where you can. Write down your answers.

Once you've finished go through the answers. Award yourself ½ a point for the first name and ½ point for the last name. The total score should be out of 10. How many points out of 10 can you achieve? Challenge a family member to the Santa face quiz and see if they can beat your score.

Take it Further: Create your own 'Santa face' disguise quiz with some different famous faces. Test it out on a family member or send it to your BB group.

Share a picture of you completing the Santa faces activity with your BB group or post on social media using #BBatHOME.
