MAS

▶▶ GETTING INTO THE ACTIVITY

Can you identify our 10 famous faces who have all been disguised as Father Christmas?

Download the 'Santa Faces' PowerPoint ready for the activity. If meeting face-to-face, you'll need to display this so everyone can see it (projector / TV etc).

Working as either individuals or in pairs, go through the 10 different faces and try to identify the famous person behind the disguise. Try to give first and last names where you can. Write down your answers.

Once complete go through the answers as a group, with young people giving their guesses before revealing the answer. Award ½ a point for the first name and ½ point for the last name. The total score should be out of 10. The person with the most points at the end is the winner.

Take it Further: Create your own 'Santa face' disguise quiz, with even more famous faces in, to continue the activity.

Virtual: Use screenshare to show the PowerPoint. You can play as per the above or alternatively you can buzz in by making a noise to give your answer.

WHAT YOU'LL NEED

- Santa Faces PowerPoint
- Computer
- Projector / TV (Face-to-face)

KEEPING EVERYONE SAFE

Maintain social distancing as required.
