

CHRISTMAS GREETINGS

GET INVOLVED

20 MINUTES

IN THE CUPBOARD

GETTING INTO THE ACTIVITY

Send a card or message to a member of your Boys' Brigade group this Christmas. Spreading a bit of Christmas cheer whilst also helping to keep connections with your friends at BB.

Design a Christmas card using paper, pens and craft supplies. This could be a drawing, painting, collage etc. Inside the card, write a Christmas message. You could also share a little bit of information about what you've been up to, what you're looking forward to most about Christmas and what you're looking forward to doing again when you can get back to Boys' Brigade.

Once complete send the card in the post to your BB leader. They will then make sure the card is passed on to another member in your Boys' Brigade group. Hopefully in return, you'll then get a card sent to you from one of your friends at Boys' Brigade.

Take a photo of the card you create and also (hopefully) the card you receive and send it to your BB group or post on social media using #BBatHOME.
