CHRISTMAS GREETINGS

GETTING INTO THE ACTIVITY

Send a card or message to another Boys' Brigade group this Christmas. Helping to spread a bit of Christmas cheer whilst also showing that we are all part of a bigger organisation.

Face-to-Face: Each child should create a Christmas card using craft supplies. This could be a drawing, painting, collage etc. Inside the card, write a Christmas message and a little bit of information about your group (Company name, how many people are in your section, your favourite BB activity etc).

Virtual: Record a Christmas message. This could be as a group saying hello, what your BB group is like and saying 'Merry Christmas'.

Once complete a leader can then arrange for the card / message to be delivered to another BB group. Different cards / messages could be sent to different places.

You may already have connections to BB groups in your local area, however if not then the BB Company Finder at www.boys-brigade.org.uk could be used to locate a group to send the Christmas greeting to. Alternatively, leaders can use 'The Boys' Brigade Leaders' group on Facebook to make a connection.
