## GETTING INTO THE ACTIVITY

Christmas jumpers are everywhere during Christmas! Take on the Christmas jumper games, challenging you to hunt down or avoid certain jumpers.

Print out and cut up the Christmas jumpers activity sheet. Jumpers will need to be cut into individual cards. If you don't have a printer, draw different jumper designs, just like the activity sheet. Play one or more of these games with your family:

**Pairs:** Lay the cards upside down and family members should take it in turns to turn over two cards to try and find a matching pair.

**Hunt the Jumper:** Lay all the cards upside down, but all around the room. Call out one of the jumper designs and family members should hunt around the room trying to find the jumper. First to find it wins a point. Continue playing, calling out different designs.

**Smelly Jumper:** Lay the cards upside down. Nominate one of the jumper designs to be the 'smelly jumper'. Family members take it in turns to turn over one card, trying to avoid the 'smelly jumper'. The person who turns over the smelly jumper should complete a forfeit. Play again.
