CHRISTMAS JUMPER GAME

PART OF THE CHRISTMAS GAMES THEMED PROGRAMME

GETTING INTO THE ACTIVITY

Christmas jumpers are everywhere during Christmas! Take on the Christmas jumper games, challenging you to hunt down or avoid certain jumpers.

A leader will need to print and cut up the Christmas jumpers activity sheet. Jumpers will need to be cut into individual cards. Use one or more of these games:

Pairs: Lay the cards upside down and children / teams should take it in turns to turn over two cards to try and find a matching pair.

Hunt the Jumper: Lay all the cards upside down, but all around the room. Children should be split into teams and nominate one player per round. Call out one of the jumper designs and the nominated players should hunt around the room trying to find the jumper. First to find it wins a point for their team.

Smelly Jumper: Lay the cards upside down. Nominate one of the jumper designs to be the 'smelly jumper'. Children / teams take it in turns to turn over one card, trying to avoid the 'smelly jumper'. The person who turns over the smelly jumper should complete a forfeit. Play again.

Pairs and smelly jumper can be played virtually. Number the back of the cards and children can call out the cards they want turned over.
