DESIGN A BAUBLE

GETTING INTO THE ACTIVITY

Christmas trees look great when full of colourful decorations and baubles. Design a bauble to help decorate your Christmas tree this year.

Print the 'Design a Bauble' template onto card and cut out the bauble. If you don't have a printer then draw the shape onto a piece of card and then cut this out instead.

Spend time decorating the shape. This could be with colouring pens, glitter, tissue paper, pom poms or any sort of craft materials you have at home. Make sure to decorate both sides of the bauble. Attach string/ribbon to the bauble, so it can then be hung on a tree.

Once completed find a good spot to hang the bauble on your Christmas tree. Take a photo of the bauble on the tree and send it to your BB group or post on social media using **#BBatHOME**.
