DESIGN A CHARACTER

PART OF THE BUILDING BLOCKS THEMED PROGRAMME

▶▶ GETTING INTO THE ACTIVITY

One of the great things about playing with Lego is using the characters to tell stories and play with. Design your own character that you could use on your next adventure.

Each child will need their own blank character template. Children will also need colouring pens/pencils and other craft supplies, if appropriate (paint, glitter, stickers etc).

Explain that each child needs to come up with a brand new character that could be used on a Lego set. Who the character is, what they look like and what they are wearing is completely up to each child.

Characters could be based around their jobs (knight, astronaut, soldier, rock star, superhero etc), favourite football team, Bible character, BB uniform, a family member or even based on themselves.

Once everyone has created their character, spend some time letting each child introduce their character and any interesting things about them.
