PART OF THE AUSTRALIA THEMED PROGRAMME

GETTING INTO THE ACTIVITY

Just like a boomerang comes back to us when we throw it, so do our words and actions.

Hold up a boomerang (or a picture). Ask the group if they know what it is and how it works? If thrown correctly, boomerangs can be thrown away from you and they turn themselves around and fly straight back at you. How cool is that? Throw the boomerang to demonstrate this and let some of the children try too. (Show the video at the bottom of the card if you don't have a boomerang).

Our words and actions are a lot like boomerangs. If we throw bad words and actions at others and treat people badly, what do you think will return to us? Bad things usually come back to us in return. The same can be said about positive actions. Who can think of examples of this in their lives?

We all want good things in our lives and for people to be nice to us - so that means we firstly need to treat others kindly. Do we always do this and can we do better?

'Do for other people the same things you want them to do for you.'
Matthew 7:12

Virtual: Show 'Dude Perfect's' boomerang video and then start the discussion (<https://youtu.be/S9KxqRUcnCU>).
