ALIEN BOOKMARKS

» GETTING INTO THE ACTIVITY

Create an alien themed bookmark to use in your favourite book.
Link with World Book Day (Thursday 4th March 2021).

Each child will need a blank alien bookmark template. These could be distributed in packs beforehand or sent to families via email to print. Alternatively, children could use a blank strip of paper or card and start from scratch.

Encourage children to decorate their bookmark using colouring pens, craft materials and anything else they can find in the house. Extra items which could be used include glitter, cotton wool, tissue paper, tin foil etc.

Once everyone is finished, encourage the group to hold up their bookmark to the camera so the rest of the group can see. Can the children think of names for their aliens and the planet which they come from?

Take it Further: Continue the World Book Day theme by asking each child to bring their favourite book to the session. Go around the group asking the children to show their book, what it is about and why they like reading it. Encourage the rest of the group to ask questions if they wish.

WHAT YOU'LL NEED

- Alien Bookmark Template
- Colouring Pens
- Craft Materials
- Scissors / Glue

KEEPING EVERYONE SAFE

Please take care if using scissors.
