## ▶▶ GETTING INTO THE ACTIVITY

Take a tour around the animal kingdom, as you listen out for and guess the noises of a wide range of animals.

Download the 'Guess the Animal Noise' PowerPoint.

Go through each slide, clicking on the speaker button each time to hear the animal sound. On each slide there are four options which the animal could be. Each time you'll need to guess which animal it is. To make it more fun, involve other family members and compete against them to see who can get the most correct.

For some of the more interesting or funny sounding noises, see if you can try and copy the animal noise. Which animal can you do the best impression of?

The Answers are: 1) Frog. 2) Alligator. 3) Parrot. 4) Camel. 5) Elephant. 6) Giraffe. 7) Hedgehog. 8) Hippo. 9) Horse. 10) Whale. 11) Penguin. 12) Snake. 13) Rhino. 14) Tiger. 15) Wolf. 16) Otter.
