FOLLOW THE KING

▶▶ GETTING INTO THE ACTIVITY

Can you successfully follow the king? Be amazed with this magic trick, helping to show us that God can be found everywhere.

Share the video 'Follow the King' - <https://vimeo.com/511665855>. This is an impressive magic trick performed especially for us by magician Paul Brown. In this trick, Paul challenges those watching to keep their eyes on the king. How will your group get on?

At the end of the video, Paul shares how God is like the king in the card trick. He can be found everywhere too. Yes, that does mean he knows when you do things that upset him, but it also means that you can always be sure that God will be with you whenever you need him to help or protect you. God loves you so much that there is never a second when he isn't with you.

'I Will Be with You Always, Even to the End of the World' Matthew 28:20

Take it Further: Create a reminder of God's love for us and the fact he will be with us forever, by using the 'God Playing Card' template. Encourage the group to colour in / decorate the card. You could set this as a takeaway challenge for the week, with children sharing their finished playing card at your next session.
