# RED NOSE FUNDRAISING

PART OF THE RED NOSE DAY THEMED PROGRAMME

## GETTING INTO THE ACTIVITY

Red Nose Day is all about raising money for Comic Relief. Take on a mini fundraising challenge, encouraging members to raise a small amount of money for Comic Relief.

Think about a fundraising challenge your group could take on. This could be a challenge you take part in during your meeting or it could be a challenge children do away from BB - reporting back afterwards to share updates and pictures.

**Sponsored Silence:** Do a sponsored 5/10 minute silence during your BB meeting or challenge children do a whole hour of silence at home in return for sponsorship.

**Sponsored Dance Off:** 10 minutes of continuous dancing during your meeting or a whole hour of dancing at home.

**Stair Climb:** How many stairs can the group climb in 10 minutes? Advertise this and ask people to pay a £1 a guess to predict the group's total number. The closest guess could win a prize and all the money raised goes to Comic Relief

**Other Ideas:** Family quiz night, at home bake sale, sponsored walk, talent show. There are lots of different ways you could raise money virtually (or together, where allowed) as a group.

Money raised can be sent directly to Comic Relief online - <https://donation.comicrelief.com>

## WHAT YOU'LL NEED

- Varies Depending on Activity

## KEEPING EVERYONE SAFE

Please ensure you risk assess whichever fundraising challenge you choose. Children should only ask for sponsorship from people they know and this should be with the assistance of a grown-up following current guidelines.
